BRICKS to build the foundation

TOPIC: Escalation Policies & Procedures

Category: Administration

This procedure was created by the Conference Resources Committee (CRC) to protect all Vincentians and the Council, to demonstrate fairness, and to formally reinforce our commitment to following up on issues in a timely, objective, thoughtful manner. Thus, we ask that this process be followed consistently. The CRC and Vincentian Support Services team is there to assist in any way possible.

This section below is for Volunteers within a Conferences and District. Procedures for concerns involving Volunteers within the Diocesan facility, its programs or activities, please see page 2 of this document.

1. Conference Level:

- Conference President is informed of the issue and offers solution to resolve.
- If the proposed solution is not implemented or issue is not resolved, the President is to document the complaint and send copies to the District and Vincentian Support Services.
- However, if the President is unable or unwilling to take action within a reasonable time, member should escalate to District President.

2. Escalation to District President

- District President to study the complaint and offer solution and implement a resolution.
- Depending on the severity of the issue, time frames for resolution may vary but should be resolved within a reasonable and timely manner.
- When resolved, document the resolution and copy Vincentian Support and Conference Resources Committee.
- If no resolution, District President is to escalate to Conference Resources Committee for investigation and recommendations for solution.

Topic: Maintaining A Positive Relationship With Your Pastor

Category: Administration

Since 1949, the Bishops of Phoenix and Tucson have actively supported the Society of St. Vincent de Paul and its works. Our Bishops endorse the existence and operation of the Society of St. Vincent de Paul at both the Diocesan and parish levels.

Many local pastors also have a positive relationship with St. Vincent de Paul and see the need for helping the poor in their individual parishes. Many pastors allow Conferences to raise funds through activities such as quarterly Fifth Sunday collections, poor boxes, food and clothing drives, and/or other events and activities that enable us to secure goods and/or financial support.

Conferences, however, should be aware that while the Bishops of Arizona support the Society, there is nothing that requires a pastor to have a Conference that operates within his parish. The existence and operation of a SVdP Conference is always at the pleasure of the pastor and so Vincentian Conference presidents must constantly strive to have a positive relationship and to establish and maintain frequent and effective communications with the clergy in their parish. All members must remember that the Conference president alone speaks for the Conference.

To maintain a healthy relationship between the pastor and a parish-based St. Vincent de Paul Conference, we suggest that Conference presidents do the following:

Create and maintain open, warm and positive communication lines with your pastor.

Provide regular communications with your pastor. Give him a copy of your Quarterly and Annual Conference Reports as well as a short summary of your current needs, activities and successes. If Pastor is newly assigned to the Parish provide a copy of the Rule and the Manual.

Invite your pastor and priests to attend Conference meetings. Make sure they know that this is an open invitation.

Ask your pastor if he or one of the other parish priests or deacons would be able to serve as the Conference's Spiritual Advisor. If they are not available to do so, ask if they would like to be a drop-in Advisor and include the pastor in the selection of a Lay Spiritual Advisor.

Schedule an in-person meeting with him at least every six months and stress the spiritual nature of the Society. Remind him about the spiritual aspect of our home visits. Explain that Vincentians pray before, during and after each visit.

Finally, stress that the Society is a charitable organization founded in 1833 that currently operates in more than 150 countries in the world. Our goal is not just to relieve material need but to promote growth in holiness among our members and those whom we serve.

Please note that an expanded pamphlet on this topic is located on the Diocesan webpage under VSS. You are encouraged to download and read that document.

TOPIC: New Member Admission Process

Category: Administration

In order to determine if God is calling them to become a Vincentian, a prospective new member, with the approval of the Conference, will be welcomed as a guest at a Conference meeting.

Important Note: All volunteers and potential Active or Full Members of the Society must complete the Catholic Diocese of Phoenix Safe Environment Training before working or volunteering with a parish conference.

A prospective new member, due to their involvement in the Society's work, may be invited or may convey an interest in becoming a Vincentian as an **Associate Member**:

"Associate Members are those affiliated with the Society by formal action of the Conference or Council with which the member will be joined. Associate Members include those who sincerely and publicly accept the Society's Rule but may or may not belong to the Catholic Church and may or may not attend Conference meetings or engage in the works of the Society on a regular basis. Associate Members are kept informed of the developments and activities of their immediate groupings, as well as the general progress of the Society, particularly in the local area or diocese. They are invited to attend the general meetings and special observances of the Society and to participate in its charitable activities." (Rule: Part III-Statute 3). For Active Membership, according to conference bylaws an active Member must also complete. Ozanam Formation Experience (OFE)

It should be noted that for the Conferences associated with the SVdP Diocesan Council of Phoenix, non-Catholic Associate Members, who have completed the basic Ozanam Formation Experience (OFE) classes and who meet all other requirements for active membership may, by a Conference vote, be allowed to make motions, participate fully in Conference discussions, and vote in all Conference matters, but may not under any circumstances hold office. **(See Article 7 of the Conference Bylaws.)**

A prospective new member who may be invited or interested in becoming a Vincentian as an **Active Member** will be given a period of candidacy and discernment during which they will observe the Conference and participate in its activities:

"Active Members are those who participate regularly in the prayer life, meetings and charitable activities through personal contact with the poor of the Vincentian Conference. An Active Member accepts the Rule and Statutes of the Society, belongs to the Catholic Church and is received as a Vincentian brother or sister. Only Active Members hold office in the organization." (Rule: Part III-Statute 3). According to Conference bylaws an Active Member must also complete Ozanam. Formation. Experience (OFE) classes.

Topic: Preparing for an Upcoming Conference or District Election

Category: Administration

Revision Date: April 2024

The major and initial responsibility rests with the current office holder. Getting someone to succeed the President starts many months or even years before. The first step is to try to identify one or more willing candidates.

Ideally, a potential President is groomed and trained, moving up from a Vice-Presidency or other officer position. It is certainly the model situation to have the President-to-Be work closely with the President during his or her last year in office. While that is not always possible, we can do psychological grooming of future Conference Presidents.

Pray about it. We are a faith-based organization. In every opening prayer, we ask the Holy Spirit to be with us in this ministry. Starting in April of an election year, include the following prayer in your closing prayers:

“Dear Lord, we ask you to bless this Conference with continued growth and good leadership. We pray now that the Holy Spirit will inspire one of our members to consider and then accept the responsibilities of leadership in this Conference. We thank you, Lord, for the many graces and blessings you have bestowed on this Conference in the past, and ask for your continued guidance over our humble efforts to serve you by serving your poor. Amen.”

- **Define the job.** Outline the responsibilities of the President (the Rule indicates they are remarkably few). The emphasis is on *simple*. Do not make the job appear overwhelming. The Approved Commentary on Article 7 Part II of the Rule says:

“The President should not assume too large a measure of the Conference’s workload. As a leader, the task is to animate the team, be able to delegate responsibility, and to inspire accountability from colleagues.”

- Therefore, teach that the secret to success in this job is delegation and real sharing of responsibility. This lesson is best taught *by example*, not words. If you have someone to groom, get them involved *alongside* you. Remember: you are being a mentor. You should be there to answer questions, to make sense out of the sometimes confusing things we experience in our work.

Topic: Reporting to Your Parish

Category: Administration

Being a good steward is more than accepting the responsibility for the resources we are given to use; it also entails being accountable to those who provided the resources. *Being a good steward* is part of the reason that the Conferences are expected to provide quarterly and annual reports to the District and Diocesan Councils. And *being a good steward* is the reason behind asking each Conference to make formal reports to their fellow parishioners on a regular basis – either quarterly or annually.

Accountability is one reason; another has to do with public relations. The more that your pastor and your fellow parishioners know about what you are doing, the more they will support your efforts. This holds true for verbal support, monetary support and new members. There are various approaches to how this reporting can be accomplished.

- A very good practice is for the Conference President or designee to have a short meeting with your pastor and give him a copy of your quarterly and/or annual report. It is at this time that you should explain our ministry, the numbers on the report and what they represent, and clarify any misunderstandings or questions the pastor may have.
- Another possibility is to put together a bulletin announcement to thank the parishioners for their support and list by category the type of services the Conference provides.
- Some Conferences print a special flyer which expands on the idea of the bulletin announcement. This flyer is then included with the parish bulletin.
- Another approach would be to arrange to do a pulpit announcement.

Timing can be important also. Many Conferences provide this information in conjunction with fund raisers or membership drives. The week before a scheduled collection or the week of the scheduled collection is ideal times to make this information available to members of the parish. ☀

Safe Environment Training & Sex Offender Policies

In 2002, the United States Conference of Catholic Bishops (USCCB) established the Charter for the Protection of Children and Young People. This document was revised and expanded in 2005, 2011, and again in 2018. This Charter calls for the establishment of Safe Environment programs in every Catholic diocese operating within the United States.

Motivated by this Charter and its application, the Society of St. Vincent de Paul Diocesan Council of Phoenix adopted a resolution in March of 2008 preventing sex offenders from joining, volunteering, and/or being associated in any way with the Diocesan Council and its associated Conferences and District Councils. This policy also authorizes the immediate removal from participation in the Society and its works for any member, volunteer or person connected to the Society when said person is convicted of a sexual offense and/or if and when the Society is notified of any such past convictions. (See our Diocesan Sex Offender policy at the end of this BRICK.)

The SVdP Diocesan Council of Phoenix monitors the Safe Environment Training status of its potential and existing members, volunteers and associated persons through participation in the Catholic Diocese of Phoenix's Safe Environment Office and its related programs including training, interviews, renewals and routine background checks that are conducted by a Third-Party Vendor through the use of Social Security numbers.

Safe Environment protocols for the Society of St. Vincent de Paul Diocesan Council of Phoenix are as follows:

1. No person shall be considered a member, volunteer or associated vendor until the conference president has verified with the Parish Safe Environment (SET) coordinator or the designated SVdP Diocesan Council SET representative that the person is current and compliant with Safe Environment requirements including participation in the background check process and has received the status of "approved".
2. All ministers and volunteers must complete a Renewal class each year. Renewals must be completed between July 1st and December 31st unless an earlier completion date is required by a particular Parish pastor. The renewal time frame is not based on the completion date of an individual's Foundation course and background check but upon the SET fiscal year. Earlier completion dates may be set by the parish and its administration. Such dates must be honored.
3. Compliance with Safe Environment Requirements cannot be certified by obtaining a Class Certificate of Completion only. A Parish Safe Environment Coordinator or the designated SET Coordinator for the SVdP Diocesan Council must verify the current SET status of each member or volunteer.
4. Conference presidents are required to provide their parish SET coordinator with a current membership list no later than August 1st of each year and to submit names of any and all potential members, volunteers and/or associated vendors before that person or company conducts any business or participates in any of the Society's works and ministries.

TOPIC: Voting at the General Membership Meeting

Category: Administration

Date: April 2024

Vincetians often question why business items to be voted on at a particular General Membership cannot be discussed, debated or amended at that meeting. The SVdP Diocesan Council of Phoenix is somewhat unique in its structure and decision making process. While our Diocesan Council has an Executive Board comprised of the Diocesan Council Officers and a Diocesan Council Board comprised of the elected District Presidents and an equal number of Board members appointed by the Diocesan Council President, the power to make decisions in most cases lies with the Diocesan Council itself.

Our Executive Board and the Diocesan Council Board function primarily to ensure that all matters submitted for consideration by the Diocesan Council General Membership are congruent with our Society's Rule, consistent with our Diocesan Council Bylaws and/or policies, are in proper form, have sufficient information for members to consider when voting on the matter, warrant a vote of the membership and are distributed to the Conferences according to our mandated timelines.

The voting members of the Phoenix Diocesan Council are the elected Presidents of the affiliated Conferences who are in good standing with the Society and the Diocesan Council. Each Conference President literally carries the vote of their Conference to the General Membership Meetings and is required to vote as the Conference voted on each and every item before the Diocesan Council.

Because each Conference president is carrying a ballot with the actual vote and will of his/her Conference and because that Conference vote cannot be changed or modified in any way, items ready to be voted on by the General Membership are not debatable. The time for debate on most issues before the Diocesan Council is in our Diocesan Committee structure, at the District and Conference levels, during open forums or at General Membership Meetings designated specifically for discussion of agenda item that will be voted on at a later date.
